

Received the GOOD DESIGN Award

# ZIProll®

Net & Mesh & Blackout

A selection of roll screens

An airtight roll screen thanks to the technology of the special fasteners and guide rails.

In addition to the choice of net, mesh, or blackout fabric, the direction in which the fabric is pulled out can be changed to suit its usage.

Box can be opened and easily cleaned

SHY CO.,LTD.

# ZIP roll®

## Quality Design

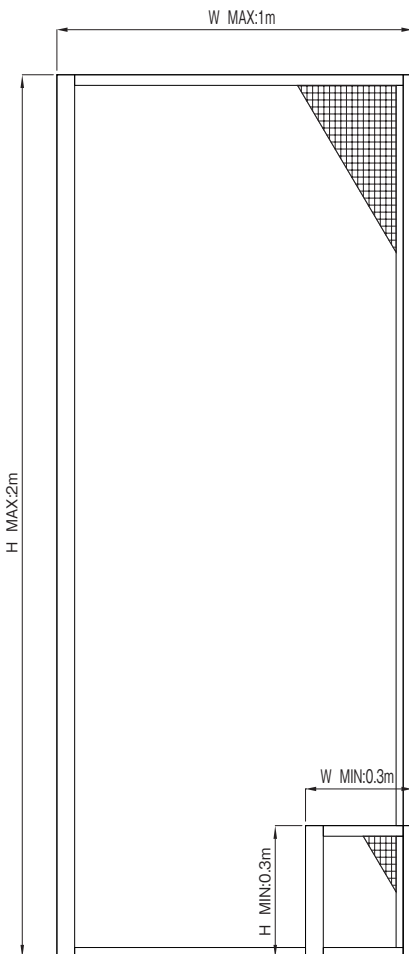

## Box can be opened and closed

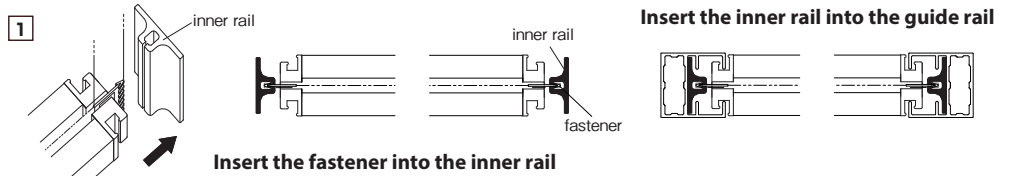

## Easy to clean

## Size

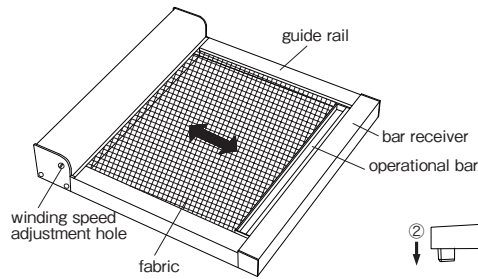

## In three colors White / Gray / Black

## Easy to assemble

## 2 Place the box on a flat surface as shown in the figure and assemble it described in this procedure ①→②

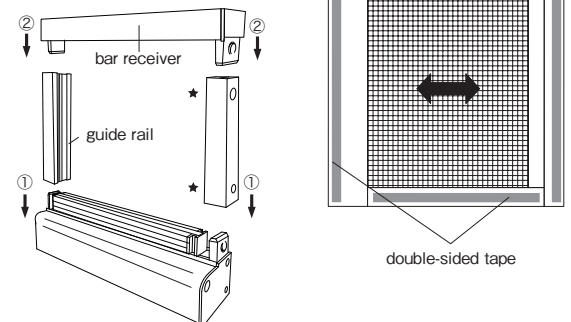

Make sure that it fits securely into the round hole in this ★section and that it has been combined.

## Insert the bar receiver onto the guide rail

## 3 Peel off the release paper of the double-sided tape and stick it to the mounting surface.
